

## The Halloween Prank

Characters:

MORGAN: A bit psychopathic. She is a teenage vigilante.

AVERY: Down to earth and keeps Morgan from killing people. She is Morgan's accomplice./innocent.

CHAD: A frat boy type

Time: Halloween Night

Location: At Chad's house. He is throwing a Halloween party.

***Scene 1- Inside Chad's House***

*AVERY approaches MORGAN in the empty living room.*

AVERY: We have to talk about it.

MORGAN: I said I don't want to, can we just leave it alone.

AVERY: I can't just leave it alone, it is a bad rumor!

MORGAN: Its a rumor that doesn't mean it's true!

AVERY: But everyone believes it's true!

MORGAN: I don't care what they believe I didn't kill that person!

AVERY: Woah Woah woah calm down I don't want you to kill me too! (*MORGAN gives AVERY an angry glare*) I'm kidding! It was a joke!

MORGAN: Good that's not something you should joke about! If anyone heard you say that they might actually think I killed them!

AVERY: Right sorry, but eventually you are going to have to confront the rumors.

MORGAN: I guess you are right but not now everyone will probably forget about this in the morning

AVERY: PEOPLE DON'T JUST FORGET ABOUT SOMEONE BEING MURDERED!

MORGAN:BUT NO-ONE DIED!

AVERY: Wait, really?

MORGAN: I don't kill anymore. Not if I don't have to and I certainly didn't have to kill the dude who isn't really dead.

AVERY: Yeah yeah, I know that but the rest of the city doesn't.

MORGAN: Ok just...follow me.

EVERY: Where are we going.

MORGAN: Just shush and follow me please. (*MORGAN grabs EVERY'S wrist and drags her outside to the courtyard.*)

### ***Scene 2- In the Courtyard***

MORGAN: Ok so we have to make up an excuse.

EVERY: How about... It wasn't really you who was there because you were with me?

MORGAN: No that would be implying that someone actually died and that didn't happen.

EVERY: Um what about, some kids wanted to play a halloween prank and you were just in the wrong place at the wrong time?

MORGAN: That's actually good. I taught you so well. (*MORGAN wipes away a fake tear*)

EVERY: Haha very funny. Now let's go before someone finds us and thinks we are plotting another murder.

*They get up and start walking to the house when they hear a scream coming from the shed.*

EVERY: The shed really! Why is it always sheds that are part of a murder scene.

MORGAN: I don't know but we are both going to need these. (*MORGAN un-pins two flowers from her costume and reveals small pocket knives*)

EVERY: You promised you didn't have weapons when I brought you.

MORGAN: No I didn't, I promised if I had I wouldn't use them if it wasn't necessary. This seems pretty necessary. And plus, it's not like I brought two murder sticks, you would wack your head off if I did.

*MORGAN and AVERY walk into the shed to see a dead body. AVERY screams*

MORGAN: Shush we don't want anyone to hear us. They will think I killed someone again.

AVERY: This time it's real!

MORGAN: (*MORGAN bends down and grabs the dead person's arm*) No it isn't. It's a prop, with fake blood, and fake knife.

AVERY: Ok I am just gonna ask, how do you know that.

MORGAN: The skin is rubbery. Even if you are dead your skin doesn't feel like rubber especially when you have just been killed.

AVERY: Again HOW DO YOU KNOW THIS?

MORGAN: You don't wanna know.

AVERY: Oh my.

*CHAD walks in.*

CHAD: Oh my is right! GUYS LOOK PSYCHO OVER HERE KILLED SOMEONE AGAIN! (*Some of CHAD'S friends walk over to see what's going on*)

MORGAN: I swear I didn't kill her. She isn't even dead, it's just a prop.

CHAD: Why should I believe you?

AVERY: Because I believe her!

CHAD: You are her best friend, you always believe her.

AVERY: Just look, this knife doesn't do anything. It's plastic. (*AVERY pushes the fake knife into her shoulder*)

MORGAN: And she has rubbery skin real people don't have skin made of rubber.

CHAD: I still don't believe you but it's cool because it's Halloween and it would be so cool if there was a murderer on the loose at my party!

*MORGAN and AVERY look at each other.*

MORGAN and AVERY: No it wouldn't!

#### ***Scene 4- Back inside the house***

MORGAN: All this murder is making me hungry.

AVERY: Same let's go eat.

AVERY: Don't forget there is a fake murderer on the loose.

MORGAN: They are probably just doing it to scare people on halloween, if they don't stop tomorrow it will be the cop's fault.

AVERY: Speaking of cops, we should probably go before they come here.

MORGAN: Yeah that would be a good idea. They already chase us enough as it is, being vigilantes and all.
